BRANDYWINE HERITAGE TRAIL MAP

Future Trails of Northern Delaware Highlighted Trail Project Map

Concept of Brandywine Heritage Trail

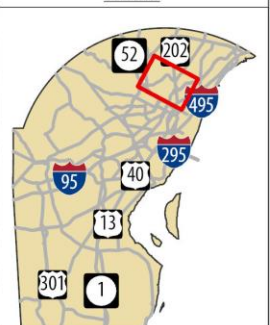

There are approximately 5 miles of the Brandywine Creek in Delaware and the goal of this project is to complete an east-west paved trail from the end of the Brandywine at Market Street in Wilmington to Brandywine Creek State Park and the First State National Historical Park which extends into Pennsylvania.

This trail is a recreational and transportation path that includes public park lands, historic landmarks, scenic vistas and major museums which highlight Delaware's economic and artistic history from the 18th through the 20th century.

Connections

- 1) Both sides of Brandywine Creek at Brandywine Park
- 2) Brandywine Park to Rockford Park and additional connection to Alapocas Run State Park
- 3) Alapocas Run State Park to Brandywine Creek State Park and First State National Historical Park
- 4) Brandywine Creek State Park to Pennsylvania

COMMONS BOULEVARD PATHWAY

AUGUSTINE CUT OFF TRAIL

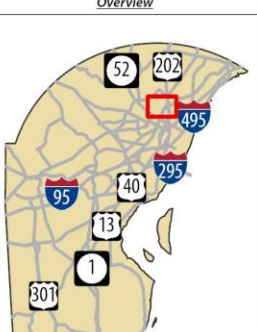

Future Trails of Northern Delaware Highlighted Trail Project Map

Concept of Augustine Cutoff Trail

Connecting the northern end of Augustine Cut Off near Concord Pike will connect multiple existing trail segments, including the existing multi-use path to Brandywine Park on the west side of Brandywine Creek, the multi-use sidepath along the development of the Incyte property, the Alapocas Run Trail north of the Alapocas development, and the proposed Brandywine Heritage Trail along the east bank of Brandywine Creek in Brandywine Park.

- Connections**
- Existing multi-use path to Brandywine Park on the west side of Brandywine Creek
 - Multi-use sidepath along the development of the Incyte property
 - Alapocas Run Trail north of the Alapocas development
 - Proposed Brandywine Heritage Trail along the east bank of Brandywine Creek in Brandywine Park.

CLAYMONT TO FOX POINT STATE PARK AND NORTHERN DELAWARE GREENWAY TRAIL

Claymont to Fox Point State Park and the Northern Delaware Greenway

Future Trails of Northern Delaware Highlighted Trail Project Map

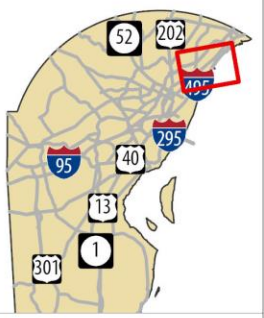

Concept of Claymont to Fox Point State Park and Northern Delaware Greenway Trail as part of the East Coast Greenway

The Claymont to Fox Point State Park/Northern Delaware Greenway Trail also is a section of both the East Coast Greenway and the 9-11 Memorial Trail. Making a safe off road connection from Pennsylvania to the City of Wilmington will increase access to parks and open space as well as increase the ability to use non-motorized transportation to areas not currently accessible.

- Connections**
- 1) Claymont area to Fox Point State Park
 - 2) Claymont area to Northern Delaware Greenway Trail
 - 3) East Coast Greenway to Northern Delaware Greenway Trail via an off road pathway

Concept of JAM to Newport Trail

The connection of the recently completed Jack A. Markell Trail to the City of Newport will give non-motorized transportation access from the City of Newport to the Riverfront in Wilmington. Additionally, this trail will connect the City of Newport to Historic New Castle. The creation of this trail will continue to grow Delaware's trail network for both recreation and transportation use.

- Connections**
- 1) Jack A. Markell Trail to City of Newport
 - 2) DuPont Environmental Education Center to propose Newport Environmental Center along the Christina River
 - 3) City Newport to Wilmington and Historic New Castle
