COMMUNITY ACTIVITY UPDATE

THE KENNETT PIKE ASSOCIATION

The Kennett Pike Association (KPA) was founded in 1957 as an all-volunteer civic organization which preserves, protects and beautifies the Kennett Pike and Route 100 corridors, Delaware's first National Scenic Byway. The KPA landscapes the beautiful medians in Greenville and works with property owners, developers and government agencies to ensure that developments protect the intrinsic qualities of the community roadways.

THE KPA CONTRIBUTED TO THE MAINTENANCE OF CANBY GROVE PARK.
